Description

A disturbing atmosphere beautifully rendered by a stormy wind, threatening clouds, circling seagulls and sailors trying to resist the raging elements, this is what our painting represents. All supported by a very beautiful palette of colors, a lively and spontaneous touch and yet perfectly mastered, an exceptional contrast of colors, an incredible luminosity that captures our gaze and draws it irremediably towards the center of the scene. Signed Jaouen and dated 18..(?) bottom right. Dimensions: 118 cm x 60 cm painting 132 cm x 73 cm with the frame Good condition. The painting is on its original canvas which has some old restorations.
