Description

This stunning 17th-century oil on copper depicts the Adoration of the Magi in exquisite detail. Executed with exceptional skill, the painting is attributed to the Flemish School, renowned for its mastery of light, texture, and religious narrative. The scene captures the reverence and majesty of the Magi offering their gifts to the Christ Child, set against a background rich with intricate detail and vibrant color. **Artistic Highlights:** Medium: Oil paint on copper, a challenging surface that enhances the luminosity and permanence of the artwork. Subject: The Adoration of the Magi, a traditional Christian theme, depicted with remarkable realism and depth. Attribution: Flemish School, known for its meticulous detail and emotive expressions. Condition: The painting is in very good condition for its age, with minor
