Description

Console in burl mahogany, stamped Ringer, Parisian cabinetmaker of the Faubourg Saint Antoine. This piece of furniture opens in a belt by a drawer with notches below. The interior of this drawer is in oak. The cylindrical front legs form a column decorated with a capital at the top and a collar at the bottom. These ornaments are in chiseled bronze. The rear legs are straight. This piece of furniture is also equipped with a base with a burl mahogany veneer arranged in an open book. With a central joint on the plinth. The front legs rest on two cylindrical barrels with overflow attached to this base. This quality console is topped with a thick gray Saint Anne marble.
***** Period: Early 19th century Excellent condition. Restored in our workshop. Satin varnish finish Delivery, in France and
