Description

Indian quilt, double-sided with a decoration of foliage in bright and preserved tones, on a cream-colored canvas background or very slightly ecru. Piece of good quality with thick quilting. Condition: Very good general condition. No snags or fragility of the materials. Note a few stitched points to be redone (possibly), very fine and discreet threads of pink tint located in the quilting furrows, as well as a very slight tint of the background color barely noticeable in one corner (see photos for details). Piece cleaned by a professional. ? Buy this item on our website? Additional informations and photos? Online payments ? Shipping conditions ? Discover our entire catalog on our websiteItem dimensions?
