Description

Longines Record watch circa 1970.

Mechanical movement with automatic winding with a power reserve of approximately 36 hours. Steel case 35.5mm in diameter excluding crown, 38mm with, 42mm from one lug to the other. Screwed caseback.

Luminous steel hands on a superb Black Dial with painted indexes in perfect condition reminiscent of the Longines Legend Diver. Lum of the dial and hands still very luminous, see photo under UV

Day-Date Calendar in French.

Movement recently cleaned and in perfect working order.

The watch is entirely original and in excellent condition.

Normal micro scratches for a watch of this age
