Description

Add a touch of elegance and history to your interior with this pair of blue Art Nouveau glass vases, made in France around 1890. These magnificent Art Nouveau style vases are made of artistic enamel and feature a delicate floral decoration that reflects the typical closeness to nature. and floral perfectly reflects the charm of Art Nouveau. Although the vases are not signed, their masterful design and the use of noble materials are reminiscent of the works of the famous manufacturer Legras. The delicate color gradients and the fine enamel give the vases a fascinating depth and structure and make them a real eye-catcher. With a height of 28 cm, a base diameter of 12 cm and an upper diameter of 9 cm, they fit perfectly on sideboards, consoles or as table decorations and bring the incomparable
