Description

MUSKETEERS SABRE OF THE KING'S MILITARY HOUSE, 2ND COMPANY, Black Musketeers, 1814 model, Restoration. 30050 Silver-plated guard with three branches forming a shell in the shape of a medallion, decorated with the musketeers' fleur-de-lys cross on a radiant background. Plate ending with a quillon in the shape of a palmette decorated with a fleur-de-lys, bearing the marking "VERSAILLES" and punched below with a "B" surmounted by a star of the controller P. BICK (December 1813 - September 1818) and the punch "B" in a laurel wreath of JG BICK, 1st class controller from 1812 to May 1815. Below the medallion, the guard forms a palmette intended to support the medallion and the two guard branches surrounding it each end with a fleur-de-lys. Short
