

Pendentif Angel Or Jaune 18 Carats

200 EUR

Period : 18th century

Condition : Parfait état

Material : Gold

Description

This magnificent 18-carat gold pendant, measuring 1 cm in diameter and weighing 0.6 g, is a delicate and refined piece. It depicts a peaceful angel, resting his head on his hand and gazing skyward with an expression of serenity and contemplation. The angel is adorned with a halo, symbolizing its purity and holiness, and its delicately detailed wings add a touch of elegance to this jewel.

The openwork design allows the skin to be seen through the pendant, creating an effect of lightness and grace. This pendant is ideal for expressing your faith and can be a perfect gift for a christening, symbolizing divine protection and blessing.
