Description

We are buyers of key collections, and collection keys

Superb model of wrought iron key, elegant circular ring, topped with a nipple, base with square capital with 3 degrees, full round rod, split on end, the height of bit, forged in zig-zag. A difficult model to find, I have not found it in documentation.

Late Gothic, it is a padlock key, the Bologna region made keys with this typology, round ring and square base. 8cm x 2.4cm,

--I have a lot of old keys to sell, if someone is looking for a large lot, it is possible-
