Description

Important Daum vase from the early 20th century with a slender shape. Its acid-etched foliage decoration in brown tones on a yellow background is spread across the entire vase. This model has 2 very interesting features: the round foot is domed and has a relief decoration with pretty patterns. The flared neck of irregular shape also personalizes this vase. Cameo signature: Daum Nancy, Cross of Lorraine. H: 45cm W: 14cm Base diameter: 12.5cm Good condition.
