### Description

This very beautiful small gouache on vellum, framed under glass, representing a Napoleonic battle scene, is in very good condition. Its Empire period key frame has some minimal traces of time. The artist, who was also a miniaturist, created this scene with great finesse and many details. This painting is really very pleasant and decorative. Dimensions with its frame: 24.5 x 20.5 cm. Dimensions without its frame: 18 x 14 cm. Fast, careful and very secure shipping.
