### Description

Beautiful set of blackened and gilded wooden living room seats from the Napoleon III period which includes a chaise longue, two armchairs and two chairs. The model is not common, these seats are upholstered with a very beautiful original embroidered fabric fixed by a very refined bronze studding. Note that the fabric shows traces of use (stains and wear on the photos) but this set remains of a high quality of decoration. DIMENSIONS: The chaise longue: 1.46m in length, 0.70m in width, 1.12m in height and 0.42m for the height of the seat. Armchairs: 1.06m in height, 0.65m in width, 0.57m in depth and 0.46m for the height of the seat. Chairs: 0.97m high, 0.48m wide, 0.45m deep and 0.46m for the seat height. Delivery on quote.
