

Marble Mermaid "art Brut"

Description

Carrara marble sculpture representing a mermaid. With a naive expression, it marks the lack of academic culture and the free interpretation of the artist.

It is signed with a monogram where I think I read V3CL.

It measures 120cm in height and 55cm by 40cm in base.

It weighs about a hundred kg.

A blow on the nose, visible on a photograph, must be signaled.
