

Gilded Bronze & Steel Blue Empire Style Chandelier

1 550 EUR

Period : 20th century

Condition : Bon état

Material : Bronze

Diameter : 60 cm

Height : 80 cm

Description

A gilt bronze Empire style chandelier. The dome-shaped central part is steel blue, decorated with two circles of gilded stars -- evoking the heavens and the night by analogy with the object's function -- and a pinecone finial. Its eight arms take the form of coiled acanthus leaves. The ceiling rose is decorated with seven large acanthus leaves to which the four chains are attached.
