### Description

These beautiful earrings are made of silver, in the shape of a girandole, they are set with white stones called Rhine stones. Playing with the light, they shine brightly, they are made up of several elements articulated between them which swing and sparkle according to the movements of the head. They are equipped with a screw attachment system which allows them to be worn without having pierced ears. They are struck, on the reverse, with a boar's head, a hallmark in force from 1838 for 800/000 silver, the diamond-shaped Master's hallmark presents the initials R and C accompanied by a marine anchor. Period second half of the 19th century. Height 82 mm.
