### Description

Exceptional solid cherry wood fireplace mantel, molded and sculpted, decorated with plant-inspired moldings and stylized foliage. It has a box at support height with cut corners and a shelf supported by two large curved uprights. Remarkable quality of cabinetmaking, the sculptures and molding hint at the plant style without totally illustrating it in the manner of Eugène Gaillard. Art Nouveau period We invite you to visit our site: [antiquites-art-nouveau.fr](http://antiquites-art-nouveau.fr)
