Description

This walnut wood coffee table, dating from the 1960s, combines simplicity and functionality, characteristic of furniture from that era. Designed with robust lines and a timeless design, it stands out for its spacious top and solid structure. With its generous dimensions of 150 cm wide, 80 cm high and 90 cm deep, this coffee table offers a comfortable space for various activities, whether for daily use or to welcome your guests in a friendly living room. The natural patina of the walnut wood, enhanced by time, brings a rustic and authentic warmth, ideal for integrating a vintage or classic atmosphere into your interior. The central part has three practical drawers, decorated with metal knobs, and a compartment closed by a door with a molded panel. These elements add appreciable storage capacity, ideal

for organizing magazines, remote controls or other everyday objects. The open ends of the table offer additional space for displaying books or decorative objects. In very good general condition, this coffee table shows light signs of wear that testify to its history without compromising its charm or solidity. It is a perfect piece for lovers of vintage furniture, looking for a balance between aesthetics and practicality.
