### Description

Old Opalescent Crystal bowl signed ETLING number 23 France. It rests on three feet which are the centers of the three flowers. The opalescence is weak but present. The Verrerie Cristallerie Pâte de verre d' Edmond Etling was founded after the First World War. The store was located in Paris at the Choisy-Le-Roi glassworks. The company did not survive the Second World War and the limited production was therefore entirely carried out in the Art Deco period. Dating 1930 - 1940  
Dimension Diameter 13.5 cm Height 7 cm  
Weight 327 grams In perfect condition no chips, no cracks on the object it will be cleaned and packaged with great care
