Description

Rare set of 6 turned and lacquered wooden chairs in trompe l'oeil in the style of rosewood. They are beautifully and delicately turned with a vertical bar back dominated by a grip at the top. They rest on 2 baluster feet at the front and two sabre feet at the back. They are covered with a wide striped fabric in used condition. These six chairs are in very good condition without any play and perfectly stable. Very beautiful quality of execution, very comfortable and highly decorative.
