Description

Parrot coat rack made by fischel, model n°2 of the 1890 catalogue. In curved beech, in the thonet style. Fischel wanted to stand out from other manufacturers with a very clearly visible and recognisable turned wood structure. The coat rack is equipped with 6 hat and jacket holders, as well as an umbrella rack on the lower part. This coat rack has remained in remarkable preservation for its beautiful age. A patina of time present which gives it all its charm of yesteryear. No breakage or pitting is present. Original varnish. Neat packaging and adapted to the product.
