1830 The symbol is "OC with a bee and 3 stars"
Emperor Napoleon III ordered official tableware services for the Empire from Christofle in 1851. His titles of Goldsmith to the King and Supplier to the Emperor allowed the now famous house to be solicited by foreign sovereigns such as the Emperor of Mexico or the Tsar of Russia. Today, the brand, which continues its notable orders, is also a supplier to the Elysée Palace in Paris.
