Description

Very elegant Louis XVI style fireplace set in pink marble and two-tone bronze, finely chiseled and gilded. Our clock features a love with a rose in his hand sitting against the offset dial, it is topped with a flowered urn topped with a bouquet of roses. The whole rests on a pink marble base on six round fluted feet. On each side of the clock, cassolettes rest on a round base. The Athenian base with rams' heads ends with three sabot feet which support the vase decorated with a pearled and flowered frieze covered with a pink marble and openwork bronze hat. The clock works correctly, has not been revised. * Worldwide shipping * * Worldwide shipping * * PAYMENT BANK TRANSFER * * Payment by bank transfer, check, PayPal or credit card * Bank details Tel: France: 0681013179 Tel:
