Description

Summer landscape

Work dimensions: 48 x 67 cm

Measurements with frame: 52 x 71 cm

Technique: oil on canvas

Period: circa 1950

A mountain path, gently descending, winds towards the valley floor.

On its sides you can see some boulders and the fir trees stand out against the blue sky.

Only in the distance appear dense white clouds that rise from the valley towards the peaks.

They are gathering, soon they will give rise to a storm.

The painting conveys a feeling of tranquility.
