### Description

**Majolica Heron - Elegant Ceramic Sculpture** This impressive majolica sculpture of a heron captivates with its fine glaze and fine details. The artistic design depicts the majestic bird in a natural pose, with elegantly shaped wings and finely carved feathers. The vibrant colours - the soft white of the plumage, the characteristic red-brown beak and the green glazed reeds - give the sculpture a realistic and artistic expression. Dimensions: Height: 65 cm Width: 60 cm This exceptional majolica ceramic piece is a real gem for any collection and is a refined decorative object, ideal for interiors, conservatories or covered outdoor areas. A fascinating work of art, combining elegance, natural inspiration and exceptional craftsmanship.
