Description

Seven moustachioed men with spoons. Silver, glass. England, 20th century. With contrast marks. Silver-plated cutlery with glass elements inside and hallmarked: Henry Hobson & Sons, Birmingham, 1900; possibly E Druiff & Co, founded 1919, Birmingham, possibly 1924; etc. They feature spoons, as is typical of this type of object, and are stylistically inspired by trends common in 19th-century English silverware. Weight: 530 grams. - Dimensions: 7.4x5x6 cm
