Description

What finesse, what elegance, what delight for this gold Couture kit composed of seven pieces in its miniature walnut burl box, bordered by a frieze, mounted like the most prestigious of its time whose hinges and closing bars are also in gold. Without the description, we think we see a normal box of 40 cm by 25 cm, while its measurement is 13 cm by 8 cm; quality, precision of dimensions for this extraordinary box. Decorated with palmette, cornucopia, roses, papyrus, part in faceted mirror polished steel, only refinement and excellence for this exceptional and extremely rare complete sewing box. With the cipher of Mrs. de L., who must have been undoubtedly of great elegance and great wealth to have ordered such a work of art. Protected by its silk cushion, all the pieces are
