height.html

Description

This beautiful pencil holder that can be used as a pocket emptier is in very good condition. Its multi-colored decoration of flowering branches and an insect is really very pleasant. Please note: the bottom has small traces embedded in the material. It's really not much, but I prefer to point it out. Dimensions: 7.3 x 7.3 cm. Height: 9.2 cm. Fast, careful and very secure shipping.
