Description

Antique chest of drawers in patinated solid wood, renovated. Materials: solid pitch pine.

Characteristics: this pretty antique chest of drawers is patinated in shades of pink and wine lees, and its foot in gray-blue. It has four drawers, two small ones at the top, one of medium size in the middle and a larger one at the bottom. Its original buttons are in black porcelain, in keeping with the edge of the top and drawers. Renovation: this antique chest of drawers has been lightly sanded on the outside to rejuvenate its original patina. The inside of its drawers has been completely sanded. Finally, it has been washed and treated against wood-eating insects.

Condition: solid, very heavy and stable on its feet, it has many beautiful years to live in your home. Dimensions: L81 x D46 x H96.5. Small
