Description

This is a woman in costume wearing a drape, all in terracotta. It is probably a workshop plaster executed by hand. It is of beautiful workmanship and has a lot of charm. The weight is significant, more than 50 kg. Unfortunately, we report that the head has been broken and glued back together, note some missing parts in places, patina repairs visible on the back. It is sold as is, unprepared, unrestored. Dimensions Height: 69 cm Width: 44 cm Depth: 26 cm M3467
