

Lady's Secretary, Mahogany, Louis XVI

650 EUR

Period : 19th century

Condition : Etat d'usage

Material : Mahogany

Length : 77

Height : 140

Depth : 39 cm fermé

Description

Small secretary or lady's secretary in mahogany and mahogany veneer in the Louis XVI style. Topped with a molded white marble, opening in the upper part a drawer, a flap (concealing, drawers and worktop), two doors in the lower part. Pretty speckled mahogany. 19th century work. Bronze and brass trim. Note the varnish has sometimes whitened a little, it remains in good condition. We appreciate its reasonable dimensions.
