Description

- Oil on canvas. - Showing great audacity, the artist constructs a play on words with this unusual composition in which four ladies play checkers. Large geometric spots with a constructivist tendency stand out against chaotic curvilinear profiles, while honest surfaces with resounding chromatism enhance the statuary concentration of these nymphs concentrated on the board. - Dimensions of the image without frame: 102 x 89 cm / 109 x 96 cm with magnificent frame. - Galerie Montbaron includes a technical sheet established by a qualified art historian with all its lots. This form is sent in digital format and on request.
