Description

Elegant

chandelier with brass skeleton, crystals and six lights. The brass structure is distinguished by the alternation of braids and vegetal decorations, which enhance its elegance. This chandelier is further enriched by numerous crystals, arranged in a chain between each oval-shaped light, in addition to those for the bobèches, pendants and small flowers that protrude, all elements that enhance its refinement. The excellent quality of the crystals used is also noteworthy. Originally designed for candles, the chandelier has been modernly electrified. Of fine workmanship and compact dimensions, this chandelier is
