

## Provençal Chest Of Drawers

3 600 EUR

Period : 18th century

Condition : Parfait état

Material : Walnut

Length : 128

Width : 69

Height : 89

### Description

Louis XV period Provençal chest of drawers (with two drawers). Made of solid walnut, this chest of drawers has a superb openwork, fretwork, and carved crosspiece. Slightly curved and smaller than other chests of drawers produced at the same time, this piece of furniture is very elegant due to its height. More photos on request
