

19th Century Birds Of Paradise Earrings With Turquoise And Pearl Tassels

460 EUR

Period : 19th century

Condition : Bon état

Description

Pair of 19th century bird of paradise earrings in pompon, turquoise and pearls, with an original closing system, a ball screwing at the front, giving the illusion that the bird is resting on a perch, below it a mobile ball. Dimensions: height 5 cm, maximum width 1.5 cm. Good condition, a small dent at the back of a ball, patina of use of the metal, slight twists of the birds' tails.
