Description

Oil on canvas by Abraham Hermanjat (1862-1932), depicting an orientalist landscape animated by a figure and a donkey advancing along a rocky path. The artist, influenced by the light and atmosphere of the Maghreb, here recreates a scene bathed in warm tones and subtle shadows, typical of his post-impressionist approach. Hermanjat's compositions, inspired by his travels, are appreciated for their play of colors and their sensitive rendering of Mediterranean light. This work testifies to his view of the landscapes and daily life in the regions he explored.
