Description

Oil painting on cardboard by Commarmon, depicting a bouquet of flowers in a rustic vase. The golden background provides a marked contrast with the vivid colors of the flowers, highlighting the composition and the play of light. The artist adopts an expressive approach to the floral subject, with a thick and dynamic brushstroke, reinforcing the liveliness of the whole. This type of technique, combining a cardboard support and a golden background, is uncommon and adds to the decorative interest of the work.
