Description

Beautiful cabinet of curiosities, coming from a noble family in Dresden. Marquetry wood (walnut, pear, maple), varnished with tompon, two-part. The upper part in the form of a gendarme hat cabinet with two doors; inside several drawers, embedded in the lower part of the cabinet in the form of a table with a drawer. Very beautiful marquetry with geometric decoration; on the outside in the middle of the two doors showing a parrot. The handles and keyholes are authentic and in brass. Early 18th century. Good condition (old restoration).
