

Malakite Coral, Diamond And 18k Yellow Gold Earring

2 218 EUR

Period : 21st century

Condition : Parfait état

Material : Gold

Description

These earrings are elegant and natural, they are fashioned from fine stones and diamonds. Materials: 18 carat gold Stones: Red "coral" beads Malachite drops with hypnotic veins, highlighting the natural depth of the green. Sparkling diamonds, delicately set between the two stones, bringing a luminous and precious touch. Design: Elegant setting that enhances the contrast between the deep red and the intense green. Discreet and refined clasp, ensuring optimal comfort and a perfect fit. Style: Chic and timeless, perfect for an evening outfit or a sophisticated everyday look.
