Description

Greek Orthodox icon (on panel) depicting Saint Nicholas of Myra* on a golden-brown background, from the 19th century. This icon is in good overall condition. Please note: age-related cracks on the paint, some accidents and age-related wear, see photos. * Nicholas of Myra (270-345) is a bishop of the Eastern Empire renowned for his Charity and his combative Faith. Canonized, he was proclaimed protector of many nations and many trades, he is a popular figure in Christian hagiography. His Christian commemoration on December 6 is a very popular holiday in many countries around the world. On Saint Nicholas' Day, tradition dictates that children who have been good throughout the year receive sweets, of a nature that varies depending on the region, and gifts. He is honored as the
