Description

Paris - Clignancourt - Manufacture known as Monsieur - 18th century Plate in polychrome and gold porcelain, with a central decoration of a scattering of flowers and a coat of arms "VOR", border richly decorated with a garland of myrtle and six medallions of a rose and cornflowers alternating between two garlands of laurels in gold. Mark of Clignancourt in red - 18th century - Louis XVI period. Decoration inspired by the service of Queen Marie-Antoinette "with a rich frieze"
