Description

Beautiful pastel, young woman in bust, smiling, pretty neckline, powdered hair, decorated with a row of pearls and magnificent ostrich feathers. Very large eyes, underlined by well-defined dark eyebrows. Light smile, charming attitude, without being flirtatious. Dark background, which highlights the oval of the face and the porcelain complexion of the subject. France, 18th century. The frame is 19th century, and damaged at the bottom. This frame plays the game well in terms of the period, but must be restored. Beautiful set
