### Description

Art Deco table in solid oak, extendable. Materials: solid oak. Features: this rounded Art Deco table is, without the extensions, very comfortable for 6 people. Thanks to its two extensions on the sides, it can accommodate 8 to 10 people. Renovation: completely sanded, then protected with a colorless matte varnish to preserve the pretty blond color of its wood, this Art Deco table is ready for a new long life. The original extensions no longer exist, two new ones were created in old solid pine boards (sanded, stained in the same color as the table and also varnished). Dimensions: L148 (222.5 with extensions) x D88 x H73.5 (64.5 under the band). This Art Deco table, practical for small spaces, will bring a warm touch to your interior thanks to the patina of its oak and its soft curves.
