Description

This old haberdashery cabinet / counter has been completely renovated: it has been cleaned, treated and sanded. Made of different types of wood, it has been painted in the pigeon grey-green color of farrow & ball, then has been patinated with a black wax. Its sides have been left in wood (pine) and protected by a colorless matt varnish; They are patinated by time and have traces of wear visible in the photos. The handles, original, have all been cleaned. This piece of furniture is double-sided and can therefore be used as a counter. It has a good storage capacity with its 27 drawers. This piece of furniture is perfectly imperfect and charming as well. A unique piece with character! Its dimensions: L168, 5 x D63 x H84,5. Left column: 3 drawers. L39 X h7. L39 X h29 (2) 2nd column: 13 drawers. L48 X h11. L13
