Description

Large renovated country dresser in solid cherry wood. Materials: solid cherry wood. Features: this large country dresser in cherry wood has a good storage capacity with its display cabinet with three shelves (adjustable thanks to a rack system), and its sideboard with two drawers in the upper part and its cupboard in the lower part. The cupboard consists of a shelf (not adjustable in height). The sideboard and the display cabinet no longer have keys but open and close very easily. The sideboard and the display cabinet are separate and will be delivered disassembled. Renovation: this country dresser has been thoroughly washed and has also been sanded, inside and out. It has then been protected with a colorless wax to preserve as much as possible the authentic appearance of its
