### Description

Vandavelde (Flemish school, late 19th century):  
"Still life with shallots", oil on panel 13.8 X 12.4 cm, mounted in a pretty gilt frame with wavy patterns 16.5 X 17.5 cm. Varnish a little oxidized, slight scratch in it. This charming still life with Jansenist rigor bathes in a golden light chiseling the shallots ready to be peeled and caressing the bowl and the pitcher. I have not identified the artist, there is a letter (P, D?) intertwined in the initial of the name which can also be read Van de Velde. Do not hesitate to ask us for photos or additional information by email or phone.
