

## Greek-style Black-figure Vase, Grand Tour, Italy, Late 19th Century

480 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Width : 14 cm

Height : 25 cm

### Description

Ancient Greek style terracotta vase in the shape of "Pelike", decorated with black figures representing Greek theater actors wearing masks. This wine vase is in very good general condition and has a pretty patina with beautiful excavation concretion effects. Quality Italian work; it is entirely turned and decorated by hand and dates from the end of the 19th century. NB/ Shipping possible for France via tracked Colissimo: 20 euros.
