Description

Pretty little work on slightly grainy paper, fine watercolor enhanced with colored chalks, 22cm x 16cm, in sheet. signature: Emile Deshays (19/20th), listed as an engraver. This neighborhood of my Parisian youth appears as idealized, in a golden dusty mist, facilitating identification by the silhouette of Church of the Visitation, by Mansart, and this mansion in "Marais"... This work is for immediate purchase, payable by credit card or paypal. - eclectic - antique dealers since 1970, Siret: FR 24.430113233. Invoice and Certificate are attached to each of our shipments.
