Description

Superb brooch in jade, 18-carat white gold (750 thousandths) and diamonds from the 1980s, incorporating all the codes of Art Deco jewelry. Two figures are sailing in a junk; the stylized waves are formed by the white gold windings set with small diamonds. Unusual and very fine jewelry. Height: 4.7 cm. Width 3.3 cm. Total weight: 13 grams. On the mast, on the reverse, two hallmarks are visible. One with an eagle's head and the other indicating 750. Good condition except for a small lack of jade at the top of the mast, very little visible and covered by the white gold setting. We take particular care with our packaging by using optimal protection. Shipping is carried out with insurance included.
