Description

Beautiful baluster-shaped vase with enameled and acid-etched decoration depicting wallflowers above a marsh. A village landscape treated in grisaille is visible in the background. Enameled and acid-etched work with interlayered enamels offering beautiful depth effects. The acid-etched base gives an effect of waves that rise up to the landscape decoration and then leaves and flowers. Art Nouveau period work circa 1900. Perfect condition. Signature in the decoration "Daum Nancy France" with the Cross of Lorraine.
