Description

Glass and bronze stair banister ball - Murano, 19th century
Elegant glass and bronze stair banister ball, made in Murano in the 19th century. This model is adorned with a superb millefiori glass decoration, characteristic of the know-how of Venetian master glassmakers. The glass body features a red and white spiral pattern with inclusions of colored glass canes on the top. The patinated bronze base has perforations for fixing. Dimensions: o Height: 11.5 cm o Diameter: 8 cm Condition: Some traces of oxidation on the base, visible in the photos, without affecting the solidity of the whole. The glass is in excellent condition. A rare and decorative piece, ideal for restoration or collection.
